goDMV Commuter Competition 2026 Sponsorship Declaration Form

The annual **goDMV Commuter Competition** is a friendly challenge for commuters in the DMV, occurring each spring from April 1st through May 15th. The competition is an initiative of the Metropolitan Washington Council of Governments (COG) and its regional member network of transportation organizations under the Commuter Connections umbrella. A program of COG, Commuter Connections provides free commuter services, with members from transportation departments of local county and city governments throughout the Washington, DC region, with oversight by the District of Columbia, Maryland, and Virginia Departments of Transportation. Each year, the friendly competition, free for participants, encourages commuters across the DMV to choose more sustainable, healthy, and affordable travel options such as transit, carpooling, bicycling etc. to help reduce traffic congestion and improve air quality. Arch Street Communications is working on behalf of COG/Commuter Connections for the goDMV Commuter Competition. The goDMV Commuter Competition is facilitated through Commuter Connections' commuter rewards app, CommuterCash. COG is a 501(c)(3) nonprofit organization.
